The FTAA, or Free Trade Area of the Americas, is an effort by corporations and governments throughout the Western Hemisphere to create a giant trade region, from Alaska to Chile, that would encourage corporate expansion and "free trade."

Speak out at the US/Mexico border and say NO to sweatshop working conditions, NO to poverty wages, NO to racist immigrant bashing, and NO to the FTAA!

Support The Struggle Of Maquiladora Workers
And Farmworkers Of San Quintin, Baja California!

Support The Fight For Immigrant Rights, Workers' Rights, And Environmental
